

PRESCHOOL REGISTRATION

Lexington Public Schools will be registering preschoolers for the 2022-23 school year during the month of April.

Children must reach age 4 on or before July 31, 2022 to qualify for enrollment into preschool at our Early Learning Academy in the Opportunity Center.

Children who meet the above-mentioned requirement may register at the Lexington Public Schools Registration Office at 300 S. Washington in Lexington.

Be sure to bring the following two items:

1. The child's State-Certified Birth Certificate
2. The child's immunization records

Children who reach age 4 AFTER the July 31, 2022 deadline will be able to fill out a waiting form that will be sent to the Early Learning Academy. As those students turn 4 years of age, they will be called to register provided there is room at our Early Learning Academy.

For your convenience, you may download a PDF file of the enrollment packet in English or Spanish at <https://www.lexschools.org/student-registration/>.

If you have any questions, please call Hardy Moreno at 308-324-1211 or Barre Hassan at 308-324-1217.
