Classroom Rules

- 1. Be Respectful**
- 2. Be Responsible**
- 3. Be Honest**
- 4. Be Compassionate**

How to enter the classroom:

- Be in your assigned seat, ready to work when the bell rings.
- Bring any work that you need to complete and/or material to study for tests

Seating: Seats will always be assigned and seating arrangements will change.

Tardy: You must be on time to class every day. If you need to use the restroom, make sure it is completed before the bell rings. If you are tardy you will make up the time after school.

Meeting Personal Needs: If you need to get up to sharpen a pencil, get a book, blow your nose, etc., or you are struggling with concentrating, remember to be compassionate. Others are trying to pay attention, so minimize distractions as much as possible.

Leaving the room: Restroom breaks should be taken before class starts, as well as any other reasons for leaving the room. If you have an emergency, we can discuss it, but make sure that it does not become a habit. All students that leave during the class must have permission and a pass from the teacher.

Talking (appropriately in class): Formal, academic language will be used in class at all times. Inappropriate language (cursing, swearing, street slang, gang related) will not be tolerated. Use of this language will result in detention before or after school or possible office referral. Any gang related discussions or language will be reported to the school administration and Officer McDougal, School Resource Officer.

Food: Needs to be healthy and eaten before the bell. No one should leave a mess. Gum is allowed, but should not be seen or heard. If food or gum becomes a problem (found stuck to ANYTHING), it will no longer be allowed.

Student Dismissal: All students must be seated before the bell rings. No waiting by the door to leave.

Grades: Will be put in at least once a week. Please let me know if you see a problem or a mistake on PowerSchool.

iPads: Students will use their iPads appropriately to complete work, check Google Classroom, study, etc. There will be no video watching or playing games. If a student cannot handle using their iPads correctly, it will be confiscated by the teacher.
