Pyramid Model / PBS at the

Positive Behavior Support (PBS)

Young children grow and change rapidly! Using approaches that involve “best practices” teach children how to get along and use skills to solve their own problems. The Pyramid Model uses three main stages.

1. Show & Tell (explain expectations to children)
2. Practice makes Perfect (planned activities or teachable moments that implements the skill)
3. You Got It! (children use the skill without prompting)

How it is used at the Early Learning Academy:

PBS and the Pyramid Model provide a plan for identifying the challenging behaviors of the child, developing an understanding of their purpose and function and developing a behavior support plan to help change the behavior and teach new skills.
