

Trigonometry Syllabus

Mrs. Oberg Holli.oberg@lexschools.org

Room 812 308-324-4691 (school) EXT 2812

Text/Materials

*Mask (Must be worn in class until the school states otherwise)

*Pencils

*Paper

*Calculator (provided, unless you want to buy your own)

*Erasers

Our book will be online, so you will need to bring your iPad with you every day. We will also do worksheets. You will need paper for notes and homework. Calculators are permitted unless the teacher says otherwise. I will have a classroom set that will be available during class, but it will need to be checked back in at the end of the period. You will not be allowed to take a calculator home. You are responsible for the calculator that you are assigned. If you break it, you will pay for it. Homework will be handed in each day and a homework quiz may be given. Work needs to be done in pencil. I have 10 books that can be checked out after school if you are not allowed to take your iPad home. This is on a first come, first served basis. Calculators on phones and iPads are NOT allowed.

Sponge

Every day students will do a warm up activity unless the teacher instructs them not to. Warm ups will vary from week to week. Some will be on the computer or the board, and others will be on paper. Please try your best on the sponge activity. Most of these are set up to prepare you for the ACT test.

Attendance/Late Work

Students need to be in class. If you miss class, please make plans with me to get your notes and your homework. I will not hunt you down to get you your assignment. This is YOUR responsibility. Please make up missed quizzes and tests as soon as possible. School policy states that you will not receive credit if you miss more than 10 days of class. You will be removed from the class if you miss more than 10 days. You have two days to make up your work when you are absent. If it is not done in two days it will be considered late. Late work is an automatic 20% off. After so long, I will make a list of all the missing work on the board and set a final deadline. If your work is not handed in at that time, I will not accept it. If you are quarantined due to COVID-19, you are still responsible for getting the work done. You will need to check Google classroom for assignments and have them submitted when they are due.

Participation

Participation should be an easy A. A weekly grade will be given. If you refuse to work, or decide to be disrespectful, you will lose your points. You will not get the points back with good behavior. Use your work time wisely.

Academic Dishonesty

Cheating is being dishonest. The person cheating and the person who has supplied the answers to cheat will receive a zero. Keep your eyes on your own tests and quizzes, or you will receive a zero as well.

Tardies

You are expected to be in your seat when the bell rings. If you are tardy, you will serve a 30-minute detention that day after school or before school the following day. If you do not show up and let it get to two hours, you will be sent to ISS.

Bathroom/Drinks/Safety

ASK to use the bathroom or get a drink before class starts. Do not ask during class. If you have to leave during class, you will need to make up the time that you are out of class after school that day. If that time is not made up, you will be given a 30-minute detention.

Fire- Go out door #12 to the front of the modular. Meet together as a group so I can take attendance.

Tornado- Go to Ms. Arias' room across the hall.

Miscellaneous

- Keep your mask on at all times
- No food in class
- Only drink that is okay is water
- No tipping in your seats
- Gum is okay, just make sure it goes to the trash can
- Stay in your seat until the bell rings
- Keep your lanyard on and make sure it is visible
- Cell phones need to stay out of site and stay off of smart watches
- Treat everyone and everything with respect
- When you are done with your homework, you need to read
- Use your class time wisely

Grading

- Homework 40%
- Tests and quizzes 45%
- Participation 10%
- Journals 5%
- SEMESTER FINAL WILL BE 10% OF YOUR SEMESTER GRADE (ONE QUARTER IS 45% AND THE OTHER QUARTER IS 45%) FINALS WILL BE TAKEN ON THE ASSIGNED DAY.

If you ever need any help, please do not hesitate to stop in. I am here from 7:45 to 3:45.

Most days I am here even later than that.

“Successful and unsuccessful people do not vary greatly in their abilities.

They vary in their desires to reach their potential.”

—*John Maxwell*
