# class policies, norms, and expectations

## BE POLITE

You are expected to show respect & kindness toward others, always. There is zero tolerance for disrespectful behavior toward Ms. Holloway, your classroom, and your peers.

## BE PREPARED

Arrive on time!

Per school policy, on time means you are *ready to work, with all necessary materials out*, when the bell rings. If you are not in your seat and have not talked to Ms. Holloway you will be counted tardy.

**In this class that means that you are quietly working on the Bell Work when the bell rings.**

## BE PRODUCTIVE

Use all class time wisely.

Always give your best effort on all class assignments.

I have high expectations for each of you. Poor work will be handed back to be redone.

You are responsible for your own learning!

## BE POSITIVE

Bring a growth mindset to class every day!

Be kind!

Listen attentively when others, especially Ms. Holloway, are speaking. Choosing to talk over others, or in spite of others, is unacceptable.

respect

Most importantly, each student is expected to show the utmost respect and kindness in the classroom. This ranges from appreciating the opinions and contributions of other students to obeying classroom rules and respecting school property. Disrespectful behavior will result in a detention and letter home. If the behavior is continued further steps will be taken.
