ED FYE - KORY KITT TRACK & FIELD CAMPS

Kalen Dockweiler (Callaway) and Allison Skala (North Platte) – NAIA All-Americans

Ed Fye - Kory Kitt Track and Field Clinics

The purpose of this clinic is to enhance the athletes' and coaches' knowledge of track and field events. We look at both theory and application. Support staff is available to work with the athletes/coaches on the material presented. Athletes should bring their own implements and wear appropriate clothing, as they will be participating in drill work.

The Ed Fye - Kory Kitt Track and Field Camp is open to all ages. Coaches do not need to bring an athlete in order to attend, and athletes may attend without a coach.

Parents may sit in on the clinic. Videotaping of any or all of the clinic is permissible.

All camps will be held at the area high school track with the exception of Crete, which will be held at Doane University's Fred Beile Arena inside Fuhrer Field House.

Housing and meals are not provided.

A certified athletic trainer will be present at all camps.

Camp Staff

Coaches include members of the successful Doane University staff and team:

Doane University Head Track Coach Ed Fye is originally from Wauneta, Neb., and began his coaching career at Doane in 1986 following a Hall of Fame track and field career as a Tiger athlete. In 2002, he was named head coach of the Doane track and field program. He has coached several national champions and nearly 600 NAIA All-Americans, including decathletes and heptathletes.

Coaching staff also includes: Dustin Llewellyn, Ken Marvin, Zach Lurz, Mario Parnell, Nick Thixton, Darren Harsin, Ryan Dorshorst, Brad Jenny and Doane athletes.

Camp Name

I am adding Kory Kitt's name to our track camp because he was a former hometown boy from Wauneta, Neb. Kory was the head track and field coach at Sargent High School for many years. He was so passionate about coaching and making his athletes technically sound.

I have missed all the phone calls and videos he sent to me throughout the years. Kory's impact and legacy will live on through his former student-athletes and all the great experiences he provided. Sargent H.S. will be able to send one female and one male athlete to the camp for free in his honor.
