

Your child is preparing to enter kindergarten. The following are steps that should be completed before your child begins kindergarten.

Kindergarten Steps

♥ Beginning in MARCH, make an appointment with a doctor for a physical exam for your child

♥ Most children going into kindergarten may need more vaccines. Therefore, take your child's vaccine records to your physical exam appointment

♥ Vaccines can be administered at the following:

Community Action Partnership of Mid Nebraska. In Lexington there are public immunization clinics on the 1st & 3rd Mondays of every month. Call 308 324-5733 or 308-325-3169 to schedule appointments.

Two Rivers Public Health Clinic held on the first Friday of each month. An appointment MUST be made prior to the clinic day. To make an appointment, call Maria at 308-991-4272.

♥ Schedule an appointment for an eye exam with an eye doctor if one was not done when your child had their physical exam

♥ Nebraska State Law requires these steps for admission to Public Schools

The following are available in Lexington or you may choose a doctor of your choice, but you will need to bring a copy of the exam.

MEDICAL:

Plum Creek Medical Group
1103 Buffalo Bend
Lexington, NE 68850
(308) 324-6386

LRHC Family Medicine
1105 North Erie
Lexington, NE 68850
(308) 324-8308

VISION:

Family Eyewear
111 East 8th St.
Lexington, NE 68850
(308) 324-5994

If you object to a physical and/or visual examination, you must submit a signed and dated refusal form to the school. Lexington Public Schools encourages all parents to follow the above steps, as it is in the best interest of your child's education.
