

#### **Q4 Workers' Comp & Campus Safety Meeting**

9:00 AM

LHS Community Room

1400 Minuteman Dr

Lexington, NE 68850-0890

1. Call to order and recognize committee members.

2. Workplace Safety

2.1. Review most recent workplace injury claims - No new claims for the period.

2.2. Progress update on prior identified concerns/issues.

2.2.1. SafeSchools videos completion rate = 89%.

2.3. New workplace injury concerns. None reported.

2.4. Other.

3. Campus Safety

3.1. Progress update on prior identified campus safety issues.

3.1.1. Afterschool programs and standard response protocols.

3.2. New campus safety issues. None reported.

3.3. Other.

3.3.1. AlertSense - Emergency Wx notifications - Please sign up so we all get the same wx messages, e.g. "tornado warning". <https://public.alertsense.com/SignUp/>

3.3.2. School Safety & Security-Related Infrastructure Grant Projects - We applied and only received the base amount of \$2000. We asked for funding to cover safety film, vape detectors, electronic classroom door locks, and security cameras. Not happening with this pittance.

3.3.3. Emergency Operations Plan (EOP) - The NDE is supposed to be developing a template for schools to use which will be available in the fall.

3.3.4. SafeSchools videos for next year - Any new recommendations? We will share the assignments this summer to give staff a chance to complete them before school starts. We'll update the attached schedule indicating other times they will have to complete them during the school year. **No new videos were suggested.**

3.3.5. New teacher pitfalls presentation during new teacher week. Any topics that should be added? **None suggested.**

3.3.5.1. PPT

3.3.6. Student survey safety-related highlights. **Overall positive feedback about bullying and our SRO program.**

3.3.6.1. School Safety Slides
